

To Whom It May Concern,

Please note that the possibility of allowing Low Power FM stations to take over existing frequencies or radio stations is unacceptable to our family. We are loyal KLOVE Listeners. This station serves a highly beneficial service in the community. It's outreach is necessary and goes far beyond music. It serves the spiritual and mental welfare of people all over the United States. We have supported it with our own money and feel that it should have a right to stay on the air
